Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications 18 months from the date of filing. The USPTO will delay the publication of an application if it is determined that the application contains information that is not in the public domain. The USPTO will not publish an application until 6 months from the date of filing or 90 days from the date of referral to the agency. This application will be delayed for publication 6 months from the filing date or 90 days from the date of referral to the agency. If the application is not published, the application will be published as a secrecy order.
